We hand around platters to ensure guests know food is out and then leave on tables until finished. We stagger the platters throughout the night based on our experience and what guests are eating etc. Usually 7pm start we serve the first platters 7.30pm and then gage response, how hungry guests are.

**We can also add our Late Night Platters into the mix, on arrival etc.  
Please check below under "Groups During Normal Hours"**
